FIND YOUR STYLE

— SHADING FOR BI-FOLD & PATIO DOORS —

Bi-folding doors create a unique feature in any home and are particularly popular in kitchens, dining and living rooms or as a dividing wall.

The need for shading and privacy creates an ideal opportunity to furnish your bi-folding doors with sensational window blinds that will further enhance your interior space.

Louvolite's collection of exciting fabrics and systems have been specially selected to complement and coordinate with any room in the home and all our blinds are individually manufactured to your unique specification.

PERFECT FIT®

SAFE AND STYLISH

Perfect Fit is the most innovative window blind available on the market today. It's unique because the window blind fits neatly into a stylish frame which moves together with the windows and doors when they are opened and closed, giving you the perfect combination of shade and ventilation. They work best in bi-fold doors as cellular or venetian blinds.

We all know that as children grow their curiosity does too, which is why we make child safety a real priority. Perfect Fit blinds are a great choice because they are child safe by design.

THE BENEFITS:

- Integrated blind that moves with the windows or doors
- No drilling or screwing for a quick and clean installation.
- Reduced gaps at the edge of the blinds which reduces light strike and increases your privacy.
- Stylish and practical.
- Energy efficient fabrics available.
- Child safe because there are no loose operating cords or loops.
- Easily removable for cleaning.

VERTICAL BLINDS

— SOPHISTICATED SHADING SOLUTION —

Vertical blinds offer you the ultimate in shading flexibility and privacy offering modern, clean lines and stunning fabrics.

Vertical blinds can be drawn neatly to the side to offer you unlimited views, or the louvres can be rotated to allow just the right amount of light into the room to maintain an element of privacy. That's why they are an ideal option for wide windows, bi-fold and patio doors.

Choose from a stunning range of fabrics designed to suit every room, colour scheme and shading requirement in your home, whether it be a light filtering or blackout fabric.

Our vertical blinds have been developed to allow you to add your own style and personality, by mixing and matching patterned, plain and textured fabrics, to create a statement feature blind.

Cotton Flower Ochre | Vertical

Chatsworth Grey | Vertical

THE BENEFITS:

- The ultimate in shading flexibility and privacy.
- Available as 89mm or 127mm louvre widths
- Vertical fabrics feature special finishes which allow them to be easily maintained for years to come.
- Colour coordinating premium Slimline Vogue® headrails to give you the perfect finishing touch.
- All our vertical blinds are designed to be child safe and we would recommend wand operation for convenience and safety.
- Add the option of sewn in weights at the bottom of the louvre, removing the need for chain and finishing off your blind perfectly.

CELLULAR BLINDS

— DISCOVER EVERYDAY EFFICIENCY & STYLE —

Dress your doors and windows with cellular blinds for a clean and uncluttered finish. Our designers have created a vibrant and colourful collection that captures the spirit of today's tastes and trends providing you with the ideal combination of performance and style.

Celeste White | Cellular

Performance fabric is an important part of our cellular range, whether it be a light filtering or blackout fabric we have the perfect solution allowing you to add your own style and keep it practical to suit your needs.

CELLULAR BLINDS

Incredibly efficient, cellular blinds not only look great but also help keep energy costs down. Their unique honeycomb structure creates a thermal barrier between the room and window to provide additional insulation.

THE BENEFITS:

- You can choose from light filtering fabrics that offer enhanced privacy through to high performance blackout fabrics that help to control the temperature of your surroundings all year round.
- Cellular blinds are an easy and efficient way of controlling lighting levels in your home.
- Cellular blinds look sleek as their slim profile sits neatly into the window recess.

ULTIMATE CURB APPEAL

Vision blinds are an innovative window furnishing that feature two layers of translucent and opaque horizontal striped fabric that combine to create a striking modern feel.

The back fabric moves independently of the front layer allowing the stripes to glide past each other creating an open and closed effect. This allows you to control the levels of light and privacy to suit your needs.

Closed | Full Privacy

THE BENEFITS:

- Exceptional choice of Vision fabric to select from with a wide range of colours and textures.
- Coordinating and contrasting components available to add that finishing touch.
- Controlling the light and UV levels while maintaining the view, the ideal balance of privacy and light control .
- Motorise your blinds with Louvolite One Touch® for style and convenience.
- Blockout and flame retardant fabrics available.
